Dear Fred,

Congratulations! The AIHA Board of Directors has approved your nomination as a Fellow of AIHA. The American Industrial Hygiene Association, the AIHA Awards Committee, and the AIHA Board of Directors all agree that you are deserving of this high recognition.

Only five percent of the AIHA membership can qualify for the Fellow Award, which is given to those individuals who have made significant contributions to the field of industrial hygiene. You can be proud that your accomplishments are recognized by your peers as outstanding contributions to the Association and to the profession. We would like to honor you and to present you with an award during the President's Reception at AIHce on Wednesday, May 26, at 6:30 p.m. Your award will be engraved with your name and credentials as they appear above, unless you request otherwise. If you will not attend the President's Reception, please let Judy Keithline know so she can make arrangements to ship your award to you (keithline@aiha.org).

We look forward to continuing to work with you in efforts to improve the work environment and to advance the practice of industrial hygiene. We appreciate your efforts and would like to congratulate you again on this achievement.

Sincerely,

Cathy L. Cole, CIH, CSP
President, AIHA
