

**Chicago Section  
American Industrial Hygiene Association**

**Meeting Announcement**

**Date:** March 6, 2002 (Wednesday)

**Topic:** Annual Student Night

**Speaker:** John Henshaw, Assistant Secretary of Labor for Occupational Safety and Health

The Chicago Section hosts our annual evening for graduate and undergraduate students in the IH field at the University of Chicago, Illinois State University and Purdue University. The event will include a student poster session and monetary awards presented to the best posters in both student categories.

We encourage all Local Section members to attend Student Night in support of our Section's desire to provide an atmosphere where students are able to meet with professionals. This is a great way to look for summer talent and potential future employees. For those of you who will be looking for an intern in 2002, please bring information along and be prepared to make an announcement during the meeting.

**Schedule:**

- 4:00-5:00 pm Board Meeting
- 5:00-6:00 pm Registration/Social Hour (poster session)
- 6:00-7:00 pm Dinner
